Cir. 448.

Ft. Bidwell School, Calif.,
July 25, 1910.

Annual Census.

Com'r of Indian Affairs,
Washington, D.C.

Sir:

034
In accordance with requirements of Office Circular No. 488, there is transmitted herewith a census of the Indians in Medoc County, as far as it has been practicable to secure one. This is the first time a census of these Indians has been attempted, and it is very probable that some errors have been made in preparing the same, but it is believed that if anything, there are rather more, than fewer, Indians than are shown on the census.

While the Indians of Warner Valley, in Oregon, and of Fall River Valley, in California, are probably considered by your Office to be under this jurisdiction for purposes of administration, they are located at such distances from the school that it was not practicable to secure the census of the same.

Very respectfully,

M. J. Griffith

Malki Indian School

Allotments to
Morongo Indians.

Banning, Calif. Dec. 6, 1910.

Hon. Commissioner of Indian Affairs,

Washington, D. C.

Sir:

In compliance with instruction contained in the above cited letter I caused a council of the Headmen of the Morongo Band of Indians resident on this reservation to be held at the Agency office on the 6th day of December, 1910, a copy of the minutes and proceedings of which are enclosed herewith.

The conditions on this reservation are such as to make a clear statement of the case somewhat difficult in so far as it bears upon the question of allotment. The inhabitants of the reservation are made up of several different tribes of Indians the original occupants of the lands being very few in number now. Perhaps a brief sketch of the history of the reservation would help.

The Serano (known also as Rios, Malki) Indians have occupied this locality from time past record and did from time to time admit members of the Morongo, Coahuilla, Chimehuevas and other tribes to come upon the lands and live with them as neighbors. In 1891 the Smiley Commission designated this collection of different tribes as the Morongo Band and until a year or two ago they were thus known, when they were called the Malki Band at the suggestion of the superintendent then in charge of their

reservation, Miss Clara P. [unclear]

It is from these conditions that the expression adopted
member of the Band [unclear] are used in my description of the
proceedings of the council.

The headmen were not able to make a more definite find-
ing than the one submitted as in many cases they were in doubt
whether the children of the adopted members were entitled to
the same privileges as their parents were accorded. Your Office
will be a better judge than I in this matter.

If this list will be considered sufficient, I recommend
your approval as soon as possible as I feel that it will
mean a good deal to the Indians in the matter of advancement,
materially and morally, in fact in every way.

Very respectfully,

Respectfully,
[unclear] Superintendent.

KNOW ALL MEN BY THESE PRESENTS.

We, the Headmen of the Morongo Band or Village of Mission Indians residing on the Salton Indian Reservation near Banning, California, in Council at the Agency Office on the 5th day of December 1910, at 7 o'clock in the evening, for the purpose of ascertaining and determining the true membership of said Morongo Band, do hereby declare, acknowledge and admit the following named persons to be true members of said Band and entitled to all the privileges thereof.
